MOTION

Deputy Clerk

This 5 day of February 2003 Petitioner Brett T. Culver [Motions this Court to render justice in this Complaint of Case No. 1:01-cv-00904, and/or procure final verdict(s) in this case.]

In July of 2001 this Plaintiff filed a sec. 1983 suit, which Complaint is still wanting justice, as the present appointed Court has failed to render in this case. This plaintiff has suffered "and continues to suffer" the abuses out-lined in the Complaint (with many other varying related situations/incidents/events) since April of 2000 to present, due to the failure of this Court to address the crimes and violations being perpetrated against this plaintiff, the Courts failure to secure protection for this plaintiff from the defendants, and the Courts failure to render justice in this Case.

WHEREFORE this petitioner Brett T. Culver now Motions this Court to procure protection for this plaintiff as out-lined in Complaint 1:01-cv-00904 v. 2 d, e., by immediate transfer to a western Pennsylvania regional facility location, and for this Court to render justice in this Case.

Provided this Court shows neglect towards this Motion, plaintiff moves this Court to remove itself from authoritative jurisdiction and turn this Case over to Federal Court for justice to be rendered and procured.
